DATE FOR PG&E CARE AND SPENCER'S OUTREACH MEETING

A meeting date has been set. After work on Thursday, September 10 (at 5:15pm) stop by the Hotline office if you are interested in learning more about the PG&E CARE program, Spencer's support of Hotline, and how both can benefit county residents. You will learn how to help us spread the word about these excellent programs and if you are interested in helping out by facilitating booths at upcoming outreach events, this meeting will teach you how to market both to the public. I highly encourage you all to come. Please RSVP by Tuesday, September 8 to jen@slohotline.org.
