NEWS FROM AUGUST:

PG&E CARE NEWS

Our outreach efforts to sign up local low-income households for utility discounts through PG&E were down this month. We signed up 2 applicants. 211 has the potential to sign up at least 17,700 households who need utility assistance in these difficult times. Please help us get the word out to the public by signing up to work an outreach event and letting your friends and family know about this excellent program. You also help 211 by generating contract funds.

PG&E SIREN TESTING

I'd like to thank the volunteers who came out to the PG&E Siren Test on Saturday, September 22.

Cory Anderson & Emeli Anderson
Maria & Crystal Carrillo & Sarah Dame
Zachary Johnson & Mary Martin
Molly Medvedoff & Dan Routt
Nicole Smith

PG&E and 211 SLO Hotline are very appreciative of you donating your time. I hope you all had as much fun as I did listening for the sirens and enjoying the delicious BBQ provided by PG&E at Dairy Creek Golf Course. The general consensus was that the sirens worked and they are loud.

OUTREACH

Please send an e-mail to jen@slohotline.org to sign up for one or a few. We always appreciate your help.
